## Ziyarat of Syria

*Bismillaahir Rah'maanir Rah'eem  
S'allaahu A'laika yaa Walial As'r Adrikna*

Places where prayers are accepted, sins are forgiven in these places - the tombs of the holy saints hold an important position. When a person pays a visit to another believer brother, the Almighty Allah says: "You have visited Me."

Syria (Damascus) is the place where the worst enemies of Ahle Bayt (a.s.) once ruled. It was in this town that plots were hatched to assassinate His Eminence, Ali Ibne Abi Talib and Imam Hasan (a.s.) and it was here that the plan was finalized to martyr Imam Husain (a.s.) and order was issued to take his family members captives. But gone is that kingdom and glory; and that pride is destroyed. Now if anyone is having domination, it is the head that was ordered to be cut off and if anyone holds sway here, it is the great lady and the mother of calamities who was taken into captivity and that orphan little lady who attained martyrdom in prison. In different places, their tombs and the crowds of pilgrims declare the everlasting victory of truth and permanent defeat of falsehood.

The lesson we gain from these holy places is that one must not trade ones faith for a life of a short duration and a few days of power, glory and wealth. On the contrary we should be firm on the path of truth. One should bear such difficulties in order to hoist the flag of truth. And since the standard of truth would always remain flying high, the names of those who gave sacrifices for truth would also remain high.

## **Ziyarats of His Eminence, Imam Ali Reza**

### **(a.s.)**

*Bismillaahir Rah'maanir Rah'eem*  
*S'allaahu A'laika yaa Walial As'r Adrikna*

It is a matter of great fortune for a person if he gets the opportunity for the Ziyarat of Imam Ali Reza (a.s.). One should pray with all sincerity that one is bestowed this honor again and again. Although people unaware of its greatness and merits consider it sufficient to perform this Ziyarat once only.

The Messenger of Allah (s.a.w.s.) said: "A part of my body would be buried in Khorasan. Allah would ensure Paradise for the believer who visits it and make Hell prohibited for him. If a grief-stricken person does the Ziyarat, Allah would dispel his grief. If a sinner does the Ziyarat, Allah would forgive his sins."

Imam Musa Kazim (a.s.) said: "The reward of the Ziyarat of Imam Reza (a.s.) is equivalent to 70 Hajjs accepted by Allah."

In some other traditions, its reward is mentioned to be equivalent to 1000 Hajjs and Umrahs.

This Ziyarat would be useful at three important points in the Qiyamat.

1. When the scrolls of deeds would be handed over to their owners, the scrolls of good people would be given in their right hands and those of the sinners in their left.

2. On the Sirat Bridge (Pul-e-Sirat)

3. On the balance of deeds (Meezan), where the deeds would be weighed.

## Method of Ziyarat

One should first perform the Ghusl of Ziyarat, put on ritually pure clothes and walk to the Haram slowly in a respectable manner. Then one should stand at the entrance of the Haram and seek permission in the following way:

ALLAA HUMMA INNI WAQAFTU A'LAA BAABIN

## **Namaz Ja'far Tayyar**

It is rewarding to pray Namaz Ja'far Tayyar in the sacred Haram of Imam Ali Reza (a.s.). The Almighty Allah rewards each rakat with the reward of a thousand Hajjs, a thousand Umrahs, freeing a thousand slaves and fighting Jihad in the company of the Messenger of Allah (s.a.w.s.) and also bestows a thousand grades.

The respected pilgrims should not ignore this great reward. Especially ladies should not waste their time shopping in Mashad and waste the opportunity of this excellent deed. This opportunity does not come often; and gifts and other articles are available in India as well.

It is a four rakat prayer with two tashhahuds and salaams. In the first rakat after Surah Hamd recite Surah Zilzaal, in the second rakat after Surah Hamd recite Surah Aadiyaat; in the third rakat after Surah Hamd recite Surah Nasr and in the fourth rakat after Surah Hamd recite Surah Tauheed. In every rakat after the Surahs recite the following 15 times:

**SUBH'AANAL LAABI WAL H'AMDU LILLAABI  
WA LAA ILAAHA ILLAL LAABU WALLAAHU AKBAR.**

After that recite the above 10 times in every ruku, standing up after ruku, in the first Sajdah, after arising from Sajdah, in the second Sajdah and arising from second Sajdah.

Shaykh Kulaini (r.a.) has narrated from the Saeed Madayani that Imam Ja'far Sadiq (a.s.) asked: 'Should I not teach you something that you can recite in Namaz Ja'far-e-Tayyar?' The narrator said, "Yes, please do." Imam (a.s.) said, "When you go into the last Sajdah of the fourth rakat, after Tasbeehaat-e-A'rba' recite the following Dua:

SUBH'AANA MAN LABISAL I'ZZA WAL

After this express your legitimate needs.

In place of FULAAN ABNA FULAAN mention the name of the Infallible, whose Ziyarat you are reciting. In the same way mention the name of his father too. For example if you are reciting the Ziyarat of Imam Husain (a.s.) you should say Al-Husain bin Ali (a.s.) and if you are reciting the Ziyarat of Imam Reza (a.s.) you must say: Ali bin Musa ar-Reza (a.s.) etc.

After that recite:

Then one must kiss the Haram and enter; and then say:

**Aamal of Najaf Ashraf and Kufa**  
**Ziyarat His Eminence, Amirul Momineen**  
**(a.s.)**

*Bismillaahir Rah'maanir Rah'eem*  
*S'allaahu A'laika yaa Walial As'r Adrikna*

His Eminence, Imam Ja'far Sadiq (a.s.) said: "If one performs the Ziyarat of His Eminence, Amirul Momineen (a.s.) with belief that he is an Imam whose obedience is compulsory and that he is the immediate successor of the Messenger of Allah (s.a.w.s.), and he performs this Ziyarat without pride and arrogance, the Almighty Allah would give him the reward of a hundred thousand martyrs. All his past and future sins would be forgiven. On Judgment Day he would be safe and secure from the difficulties of Qiyamat. His accounting would be easy. Angels would welcome him. When he returns after Ziyarat, the angels would accompany him till his house. If he falls sick, the angels would visit him, if he dies, the angels would condole for him and seek forgiveness for him."

## **Ziyarat Ameenullaah**

This is a very reliable and comprehensive Ziyarat. It is narrated from Imam Muhammad Baqir (a.s.) that Imam Zainul Abideen (a.s.) performed the Ziyarat of His Eminence, Amirul Momineen (a.s.) in the following manner. He stood by the grave with his eyes tearful and he recited as follows:

AS SALAAMU A'LAIKA YAA AMEEN ALLAABI

Regarding this Ziyarat, Imam Muhammad Baqir (a.s.) said:  
Whosoever from our Shias recites this Ziyarat near the grave of  
His Eminence, Amirul Momineen (a.s.) or near the grave of any  
of the Imams (a.s.), the Almighty Allah would wrap this Ziyarat  
and Dua in a cloth of NOOR and take it up. His Eminence, the  
Messenger of Allah (s.a.w.s.) would put a stamp on it and it  
would be safe and secure till it would be handed over to His  
Eminence, Qaim Aale Muhammad (a.s.). And the Imam would  
welcome the Zaair with respect and honor.

## **Farewell Ziyarat of Amirul Momineen (a.s.)**

### **Wadius Salaam**

There is a cemetery in Najaf Ashraf known as Wadius Salaam. The graves of Prophet Hud and Prophet Salih (a.s.) are situated here. In addition to this, graves of many scholars, traditionists and believers are also located there. It is said that some great scholars were fortunate to meet Imam Zamana (a.s.) in Wadius Salaam. It is recommended in the view of Ahle Bayt (a.s.) to visit this cemetery, to perform the Ziyarat and to gift the reward to the souls of all those who are buried here.

## **Amaal of Kufa Masjid**

Kufa Masjid is one of those four places where Namaz is not supposed to be recited as Qasr (shortened). His Eminence, Imam Ja'far Sadiq (a.s.) said: Kufa Masjid is one of the gardens of Paradise. One thousand seventy prophets have prayed here. In this Masjid, the reward of an obligatory prayer is equal to that of a Hajj and the reward of a recommended prayer is equal to that of an Umrah. The Messenger of Allah (s.a.w.s.) prayed here on the night of Meraj. Kufa would be the capital of His Eminence, Imam Mahdi (a.s.) and the Imam would lead prayers there. Insha Allah.

There are special Aamaals of this great Masjid. May the Almighty Allah first give Taufeeq for performing those Aamaals and then accept them through His grace and mercy.

### **Entry into the Masjid**

When you enter Kufa, you must recite:

BISMIL LAAHI WA BILLAAHI WA FEE SABEELIL

S'ALLAL LAAHU A'LAIHI WA AALIH. ALLAA  
HUMMA ANZILNEE MUNZALAN MUBAARAKAWN

Move towards the Masjid reciting as follows:

ALLAAHU AKBARU WA LAA ILAAHA ILLAL  
LAAHU WAL H'AMDU LILLAAH. WA SUBH'AANAL

When you reach the Masjid gate, stop there and recite the  
following:

## **Aamals of Dakkatul Qazaa and Baitul Tasht**

These two places are near to each other. Dakkatul is named thus because His Eminence, Ali Ibne Abi Talib (a.s.) used to sit at this place and issue legal judgments. Baitul Tasht is named thus because His Eminence had given a miraculous judgment here, when a young unmarried girl was brought to him with signs of pregnancy, due to which the brothers of this girl wanted to kill her. The problem was taken to His Eminence, Imam Ali (a.s.). He extended his hand and acquired a piece of ice from the mountain of Syria and kept it near a tray, and made the girl sit upon it.

A leech had overgrown in the belly of the girl and it came out and it was learnt that she was not pregnant but she had a leech in her stomach. The reason was that, one day the girl was bathing when the leech entered her stomach. It continued to suck blood and grow up. This caused people to doubt her character. By this judgment of Imam Ali (a.s.) the girl was proved innocent and her life was saved.

This teaches us a lesson we should not accuse anyone on the basis of outward appearance without knowing the facts.

### **Aamals of Dakkatul Qazaa**

Recite two rakats Namaz here and then recite the Tasbeeh of Hazrat Fatima Zahra (s.a.). After the tasbeeh, recite the following Dua:

## **Aamals of the Middle portion of the Masjid**

We must perform this Aamal in the middle part of Masjid. May be the Prophet (s.a.w.s.) had recited prayers at this same place on the Meraj night. Recite two rakats prayer. In the first rakat after Surah Hamd recite Surah Tauheed and in the second rakat after Surah Hamd recite Surah Kafiroom. After the Tasbeeh of Hazrat Fatima Zahra (s.a.) recite the following Dua:

ALLAA HUMMA ANTAS SALAAMU WA MINKAS SALAAMU WA ILAIKA YA O'ODUS SALAAMU WA DAARUKA DAARUS SALAAMI H'AYYINAA RABBA NAA MINKA BIS SALAAM. ### **Seventh Pillar**

This is a very important pillar. His Eminence, Imam Ali (a.s.) used to pray over here. It is the place where the Almighty Allah accepted the repentance of His Eminence, Adam (a.s.).

Face the Qibla and recite:

## **Masjid Sahla**

After Kufa Masjid, the most significant and honorable is the Sahla Masjid. This Masjid had been the residence of Prophet Idris and Prophet Ibrahim (a.s.). Prophet Khizr (a.s.) used to frequent this place and according to the traditions of Imam Ja'far Sadiq (a.s.) after the reappearance, it would be the residence of Imam Zamana (a.s.) as well. He would stay there with his family. All the prophets have prayed in this Masjid. To stay in this Masjid is like staying in the tent of the Holy Prophet (s.a.w.s.) with him. This is the place where the Almighty Allah desires that morning and evening His name is exalted here. The best time to stay in this Masjid is Wednesday eve.

## **Masjid of Janab Zaid bin Sauhaan (r.a.)**

There is another Masjid near Sahla Masjid; it is the Zaid bin Sauhan Masjid. Zaid was a very loyal companion of His Eminence, Ali Ibne Abi Talib (a.s.) and he was martyred during the Battle of Jamal.

## **Masjid Saasa bin Sauhaan (r.a.)**

Like his brother, Zaid, Saasa bin Sauhaan was also a loyal companion of Imam Ali (a.s.). He was a powerful orator. He was also present in the funeral of Imam Ali (a.s.). After the burial of Imam Ali (a.s.), he stood up, picking up a handful of dust from the grave he put it on his head and delivered a powerful speech. This was the first Majlis that was held at the grave soon after the burial of Imam Ali (a.s.). The preacher was Saasa bin Sauhaan and the audience included great personalities like Imam Hasan and Imam Husain (a.s.), His Eminence, Abbas (a.s.) and Janab Muhammad Hanafiyyah. Everyone was weeping. Janab Saasa (r.a.) presented condolence to all the sons. After the Majlis, people returned from Najaf to Kufa. We can understand the greatness of Saasa from this incident.

## **Ziyarat of His Eminence, the Chief of the Martyrs, Abu Abdullah Imam Husain bin Ali (a.s.)**

*Bismillaahir Rah'maanir Rah'eem  
S'allaahu A'laika yaa Walial As'r Adrikna*

The significance of the Ziyarat of Imam Husain (a.s.) is beyond explanation. It has come in many traditions that it is equal to Hajj, Umrah and Jihad, on the contrary many grades above them. It is a cause of divine forgiveness, ease in accounting, elevation of grades, acceptance of supplications, long life span, safety of life and property, increase in sustenance, fulfillment of needs and removal of sorrow. To ignore it, causes loss in religion and faith and it is leaving one of the greatest rights of the Holy Prophet (s.a.w.s.). The least reward that a visitor of Imam Husain (a.s.) gets is that his sins are forgiven and Allah protects his life and property till he comes back to his family. And on Judgment Day, Allah would protect him more than he was protected in the world. Many traditions say that the Ziyarat of Imam Husain (a.s.) removes sorrow, pain of death and the terror of the grave. Of the money spent on the Ziyarat, each Dirham is considered equal to a thousand Dirhams, on the contrary equal to 10000 Dirhams. And when the visitor turns to the mausoleum of Imam Husain (a.s.), 4000 angels welcome him and when he returns they follow him. Prophets, their legates and the Holy Imams (a.s.) come for the Ziyarat of Imam Husain (a.s.) and they all pray for the visitors. They convey to them the good news. The Almighty Allah is more merciful to the visitors of the tomb of Imam Husain (a.s.) than He is to the people of Arafat. And people would wish on the day of Qiyamat that they

had visited the grave of Imam Husain (a.s.), because on this day they would see the great status and greatness of the Zair of Imam Husain (a.s.). Many traditions are recorded in this regard. Imam Ja'far Sadiq (a.s.) used to pray for the Zair of Imam Husain (a.s.) after his prayers as follows:

“O Allah, forgive me, my brothers and the visitors to the grave of my forefather, Imam Husain (a.s.). Those who spent their money for our sake and who were inclined to goodness; and left their homes to come here in the hope of Your rewards and to please Your Prophet and for accepting our Wilayat, and make our foes distraught and for Your pleasure.

O Allah, recompense them on our behalf with the best of the rewards; protect them day and night, protect their family and children and keep them in Your protection from every tyrant and oppressor. Keep them safe from the mischief of jinns and men. O Allah, our enemies ridicule them for doing our Ziyarat but they continue to perform our Ziyarat without paying any heed to these ridicules.

O Allah, have mercy on the faces that are changed by the sun, and have mercy on the cheeks that touch the grave of Imam Husain (a.s.). Have mercy on the eyes that are filled with tears for our sake. Have mercy on the hearts that are pained in our sorrow and which are aggrieved in calamities and have mercy on the sighs that arise on hearing our calamities.

O Allah, I entrust those souls and bodies to You; please allow them to drink from Hauze Kauthar during the thirst of the Judgment Day.”

Those who pray for the visitor of Imam Husain (a.s.) on the heavens are more than those who pray for him on the earth. The Messenger of Allah (s.a.w.s.), His Eminence, Ali Murtada (a.s.); Lady Fatima (s.a.) and the Holy Imams (a.s.) pray for the Zair of Imam Husain (a.s.) and on Judgment Day he or she will get the

honor to shake hands with these holy personalities. When the visitors of Imam Husain (a.s.) come to the field of accounting on Judgment Day, there will not remain any sin in their scroll of deeds and the Messenger of Allah (s.a.w.s.) will shake hands with them.

Respected Zairs!

You are now at the sacred land of Kerbala. The Almighty Allah has bestowed you the honor of the Ziyarat of Imam Husain (a.s.). You are also eligible for all the excellence and rewards mentioned above. Imam Ja'far Sadiq (a.s.) has also prayed in your favor. So why delay any more? Make your intentions pure, pray to the Almighty Allah for more Taufeeq and pay Sadaqah in order to be safe from the mischief of the Satans. Walk towards the mausoleum slowly in a dignified way, with your eyes filled with tears as the angels are waiting for you there...

The holy mausoleum is the dwelling of the Holy Imam (a.s.); so before you enter you must seek permission. Seek permission in the following manner. Stand at the door and recite:

## Seeking Permission for Ziyarat

Shaykh Kafami (r.a.) has said that when you enter Masjidun Nabi or the mausoleum of any Imam, you must recite the following:

ALLAA HUMMA INNI WAQAFTU A'LAA BAABIN

TAA A'TUHU FULAAN ABNA FULAAN.

In place of FULAAN ABNA FULAAN mention the name of the Infallible, whose Ziyarat you are reciting. In the same way mention the name of his father also. For example if you are

reciting the Ziyarat of Imam Husain (a.s.) you should say Al-Husain bin Ali (a.s.) and if you are reciting the Ziyarat of Imam Reza (a.s.) you must say: Ali bin Musa ar-Reza (a.s.) etc. After that recite:

Then kiss the Haram and enter and recite:

If the eyes are filled with tears it means that you have been given permission. Enter the Haram reciting the following:

Then stand opposite the head of the grave and recite with full attention:

And most important of all pray for the Zuhoor of the heir of the Chief of the Martyrs, His Eminence, Imam Asr (a.s.). It is most suitable to perform one Ziyarat as proxy of Imam Zamana (a.s.).

## Ziyarat Ashura

Among the Ziyarats of Imam Husain (a.s.), Ziyarat Ashura is a very important Ziyarat. This Ziyarat can be recited near the tomb as well as from the most distant places and it can be recited daily.

According to the tradition of Imam Muhammad Baqir (a.s.), one who performs the Ziyarat of Imam Husain (a.s.) through this Ziyarat will be elevated a million grades as also the grade of being martyred with Imam Husain (a.s.). He will also get the reward of all the prophets who have performed his Ziyarat since the time of his martyrdom till date.

Peace be upon Imam Husain (a.s.) and his Ahle Bayt (a.s.).

Ziyarat Ashura is as follows:

After that pray two rakats Namaz of Ziyarat. And it is best to recite Dua Al-Qama as well after this Ziyarat. It is a great Dua and one must not ignore it easily. It is mentioned on page 457 of *Mafatihul Jinaan*.

## **Aamaal-e-Ashura**

After the Namaz turn to the mausoleum of Imam Husain (a.s.) and salute him thinking of his martyrdom as well as the martyrdom of his relatives and companions and invoke blessings on them and curse their killers:

ALLAA HUMMAL A'N QATALATAL H'USAINI WA  
AS'-H'AABIH.

Then walk a few steps forward and then recite:

INNA LILLAHI WA INNA ILAIHI RAAJI-O'ON.  
RAZ"AN BI QAZ"AAIHI WA TASLEEMAN LI AMRIH.

It is better to perform this *Amal* seven times.

## **Ziyarats of Kazmain**

### **Ziyarat of His Eminence, Imam Musa bin Ja'far and His Eminence, Imam Muhammad Taqi (a.s.)**

*Bismillaahir Rah'maanir Rah'eem  
S'allaahu A'laika yaa Walial As'r Adrikna*

There is too much reward for the Ziyarat of these two Imams. It is mentioned in traditions that one who performs the Ziyarat of Imam Musa Kazim (a.s.) it is as if he has performed the Ziyarat of the Messenger of Allah (s.a.w.s.). On the contrary according to another traditional report it is like the Ziyarat of Amirul Momineen (a.s.) and Imam Husain (a.s.).

Supplications have been accepted of those who supplicated at the grave of Imam Musa Kazim (a.s.).

When you go for his Ziyarat, you should stand at the door and seek permission as follows:

Now enter the Haram and make an intention for the Ziyarat  
of both Imams and then recite:

AS SALAAMU A'LAIKUMA YAA WALIYYAL

After that kiss the grave and place your right cheek on it; then go to the head side and recite:

After that recite two rakats Namaz-e-Ziyarat for each Imam and beseech Allah for whatever you like. Since during the periods of these Imams there was excessive Taqayyah therefore they have taught very brief Ziyarats to their Shias in order to keep them safe from the mischief of oppressors and if today anyone wishes to recite a long Ziyarat he may recite *Ziyarat Jamia* since it is the best Ziyarat for them.

After the Ziyarat, recite the farewell as follows:

## **Ziyarats of Samarrah**

After that pray for your parents, siblings and believers; and you can supplicate for anything that you may like. If possible recite two rakats Namaz Ziyarat near the grave and if not possible, you can go the Masjid, which is close by and recite the Namaz there and then supplicate for whatever you like and your supplications would be answered.

## **Ziyarat of Janab Sayyid Muhammad**

He was the illustrious son of Imam Ali Naqi (a.s.) and his tomb is having miraculous powers. His generosity and nobility is known to all. His mausoleum is situated at Balad, which is between Kazmain and Samarra. Noteworthy scholars used to make it a point to perform his Ziyarat. It is said that prayers for having a child are most effective here. That is why you will see many little cradles etc. in the mausoleum offered by those whose prayers were fulfilled.

There is no particular Ziyarat for him.

Ziyarat for the sons of Imams can be recited over here. You can also recite the Ziyarat of Janab Hakima Khatoon but take care that change feminine pronouns into masculine.

## **Ziyarat of His Eminence, Imam Zamana (a.s.)**

*Bismillaahir Rah'maanir Rah'eem  
S'allaahu A'laika yaa Walial As'r Adrikna*

This is the Ziyarat of Hazrat Hujjat Ibnul Hasan al-Askari, His Eminence, Imam Mahdi (a.s.), Sahibuz Zaman and Waliul Asr. He is alive by the order of the Almighty Allah and is in occultation because of His command. He is the Imam of our time. He is the witness of all our deeds and even our thoughts and views. He is aware of everything that is related to us and nothing is concealed from him. He the Divine Proof for the whole universe at this time; he is the representative of the Almighty Allah and His Caliph. He is the Imam of jinn and human beings. His obedience is incumbent on all and his disobedience is not allowed in any way. At this time he is the door of Allah. It is through him that all the deeds of the Universe are accepted by the Almighty Allah. If someone does not believe in his Imamate and does not regard him as the Divine Proof whose obedience is necessary, none of his deeds will be accepted by the Almighty Allah. He is the twelfth link of the chain of Imamate of which the first is His Eminence, Ali Ibne Abi Talib (a.s.). It is through him that prayers are accepted and sins are forgiven. It is because of him that there is increase in sustenance. Because of him supplications are accepted. At this time he is in occultation by the order of the Almighty Allah. He will definitely reappear one day. Our good deeds and especially our sincere prayers for his early reappearance can hasten his Zuhoor. Therefore you must pay attention to this Ziyarat and make special arrangements to perform it in the proper way.

The holy Sardab is the house of the Holy Imam (a.s.) and he visits it frequently. Some senior scholars have seen the Imam praying over here and supplicating in favor of his Shias. Thus you should just keep it in mind that it is the house of Imam Zamana (a.s.) and imagine that the Imam is before you. Smeard in our sins we would like to salute the Holy Imam (a.s.) and state that the slaves have come to pay respect to their master. An orphan is standing in the court of a benevolent noble. We salute through his nobility and that of his holy family. We hope that he would not deprive the slaves as a Sadaqah for Janab Fatima Zahra (s.a.). Stand at the door and seek permission by saying:

ALLAA HUMMA INNI WAQAFTU A'LAA BAABIN

This Ziyarat mentions ones beliefs and the Imam is called to witness it and it is obvious that if the beliefs of a person are testified by the Imam of the time, how sure would salvation be for this person!

## Another Ziyarat

This Ziyarat is a little longer than the one mentioned above. In this Ziyarat, the seeking of permission to enter is different from other Ziyarats. In this case, permission is sought along with salutations.

After Ziyarat and Salawat recite twelve rakats prayer in units of two rakats each and then recite the Dua narrated from the Imam Zamana (a.s.) as follows:

ALLAA HUMMA A'Z'UMAL BALAAA-U WA  
BARIH'AL KHAFAAA-U WAN KASHAFAL GHIT'AAA-

ADRIKNI ADRIKNI ADRIKNI.

This is an excellent Dua. It should be recited again and again at the Sardab and other places as well.

After completing all these rituals, you must pay full attention and with all sincerity beseech the Almighty Allah for an early reappearance of Imam Zamana (a.s.). Since it is the court of the generous, your plea will not be rejected. Insha Allah.

## **Post Prayer Recitation (*Taaqeebaat*) of the Five Daily prayers**

### **Taaqeebaat Namaz-e-Subh**

Recite the above ten times.

It is highly recommended to recite it and this Salawat can also be recited at the time of Asr on Fridays.

Shaykh Kulaini has narrated from Imam Ja'far Sadiq (a.s.) that he said: The Almighty Allah keeps away seventy types of calamities away from one who recites:

BISMILLAAHIR RAH'MAANIR RAH'EEM. LAA  
H'AWLA WA LAA QUWWATA ILLAA BILLAAHIL  
A'LIYYIL A'Z'EEM.

Seven times after the Morning and Maghrib prayers. The least of which is gas trouble, leprosy, insanity and if that person is unfortunate his position would be rewritten as that of a fortunate one. It is narrated from the same Imam (a.s.) that in order to cure the pain of the eyes in the world and the hereafter, recite the following after every Morning and Maghrib Prayers:

ALLAA HUMMA INNI AS ALUKA BI H'AQQI  
MUH'AMMADIWN WA AALI MUH'AMMADIN.

In *Oddatud Dai*, Shaykh Ibne Fahad has narrated from Imam Ali Reza (a.s.) that if a person recites this Dua after Morning Prayer there would be no need but that it would be fulfilled by the Almighty Allah.

### **Namaz-e-Ghufaila**

Namaz-e-Ghufaila is a two rakat recommended prayer between the Maghrib and Isha prayers. In the first rakat, recite Surah Hamd and the following:

WA DHANNOONI IDH DHAHABA MUGHAZ'I  
BAN FAZ'ANNAN AN LAN NAQDIRA A'LAIHI FA  
NAADAA FIZ' Z'ULUMAATI AN LAA ILAAHA ILLAA

MINA FASTAJAB NALAHU WA NAJJAI NAAHU  
MINAL GHAMMI WA KADHAALIKA NUNJIL MU-

In the second rakat recite Surah Hamd and the following:

WA I'NDAHU MAFAATIH'UL GHAIBI LAA  
YA'LAMUHAA ILLAA HUWA WA YA'LAMU MAA FIL  
BARRI WAL BAH'RI WA MAA TASQUT'U MIWN  
WARAQATIN ILLAA YA'LAMUHAA WA LAA H'ABBA  
TIN FEE Z'ULUMAATIL ARZ'I WA LAA RATBIWN  
WA LAA YAABISIN ILLAA FEE KITAABIM MUBEEN.

Then raise your hands for reciting the qunoot and say:

ALLAA HUMMA INNI ASALUKA BI MAFAATIH'IL  
GHAIBILLATI LAA YA'LAMUHAA ILLAA ANTA AN

TUS'ALLIYA A'LAA MUH'AMMADIWN WA AALIHI  
WA AN TAF-A'LA BEE...

Then ask whatever you want and then recite:

ALLAA HUMMA ANTA WALIYYU NI'MATI WAL  
QAADIRU A'LAA T'ALIBATI TA'LAMU H'AAJATI FA  
AS ALUKA BI H'AQQI MUH'AMMADIWN WA AALIHI  
A'LAIHI WA A'LAIHIMUS SALAAM LAMMA QAZ'AI  
TAHA LEE.

It is mentioned in traditions that whoever prays the above  
Prayer and then asks the Almighty Allah for his needs, will have  
his desires fulfilled for sure.

### **Taaqeebaat Namaz-e-Isha**

ALLAA HUMMA INNAHU LAISA LEE I'LMUN BI

After that it is recommended to recite Surah Qadr seven  
times:

## **Ziyarat-e-Wida Aimma Tahireen - Farewell Ziyarat of the Holy Imams (a.s.)**

Shaykh Muhammad bin Mashadi has mentioned in the chapter of farewell in his *Mazaar Kabeer* and Sayyid Ibne Tawoos has quoted it after Ziyarat Jamia, which was mentioned above and we have quoted it from *Misbahuz Zaireen*. Thus when you leave the town of the particular Imam, you must recite his farewell as follows:

Translation: O Allah help us abstain from sin and disobedience. And inculcate sincerity in my intentions. And grant us honor through guidance and steadfastness. Direct our tongues to speak truthful and prudent discourses. And pervade our hearts with knowledge and recognition. And purify our bellies from impure and unclean food. And withhold our hands from injustice and theft. And lower our gaze at scenes of transgression and treachery. Refrain our hearing from vain talks and backbiting. And bless our scholars and the learned with piety and the ability to give sound advice. And grant inclination to the seekers of knowledge to struggle hard in their quest for knowledge. And bless the listeners so that they may respond to invitations of truth and righteousness and lend their ears to sound advice and admonitions. And grant relief and tranquility to the ailing. And bestow Your mercy and pardon on the dead. And bestow dignity and serenity upon our elders. And endow the youth with a feeling of repentance and contrition. And grant our women modesty and chastity. And confer humility and generosity on the affluent and wealthy. And bestow patience and contentment on the poor and needy. And arm our warriors with (Your) aid and make them victorious. And grant respite and succor to the captives. And assist the judges to perform (their duties) with justice and compassion. And bless the pilgrims and visitors (of graves of Imams). And assist them in their pilgrimage that you have made as an obligation upon them. By Your Grace and Mercy, O Most Merciful.
